EDUCATION:

Bridgewater State University**:** Bridgewater, MA
Bachelor of Science in Computer Science   Anticipated May 2024

General Assembly: Online
Software Engineering Immersion Program   January 2022 – April 2022

Newbury College: Brookline, MA
Bachelor of Science in Sport Management   May 2018

TECHNICAL SKILLS:
Programming Languages: Java | JavaScript | Python | Node JS |
Programming Frameworks: React | Spring | Django | Express Js | Mongoose |
Databases: MongoDB| SQL

SOFTWARE DEVELOPMENT PROJECTS:

Arc Arcade: **General Assembly/ independent**   April 2021
Developed an arcade site with Java/spring boot, React, and Node JS. The site has online multiplayer Tic-tac-toe and
another game that posts top scores on a leaderboard. It also contains instant chat messaging and a full CRUD section for
posts.

Mini Trello Clone: **General Assembly**   March 2022
Worked in a team of 3 to develop a CRUD "to-do" app made with Django on the backend and react on the front end.
User auth is handled using Django. Contains instant chat messaging from socket.io (made with node JS). Each user can
manipulate a global to do list but also can create multiple of their own that only they can manipulate.

Social Media Site: **General Assembly**   February 2022
Collaborated with another student to create a CRUD social media site that allows users to log in and post and like/dislike
posts. Users can only edit their posts and only get one like or dislike per post. The site has sessions authorization for
security. Made with react, express, mongoose, mongo and MUI.

WORK EXPERIENCE:

Security Guard/Front Desk: **McGarr Security**, Boston, MA   June 2018 – January 2022
- Assisted visitors and employees upon arrival and departure to GBH building
- Conducted building patrols to ensure safety standards and security of the facility
- Assisted employees with various safety and security needs and cleaners with miscellaneous tasks such as office lock outs, and escorting individuals to their car.

Stock/Cashier: **Advance Auto Parts,** Brockton, MA   November 2016 - January 2018
- Utilize excellent communication skills to provide a high level of customer service
- Fulfilled online orders and organized back ordered stock
